

LODI STREET FAIRE *Friends Helping Friends* *Referral Rewards*

The **Lodi Street Faire** is one of the premier events in the State thanks to you, our loyal vendors. As a sign of our appreciation, we are excited to announce a new referral program that will put some extra cash in your pocket, give a friend a discounted space and bring additional vendors to the Faire, attracting even more customers!

The Program is Easy!

- ⇒ Receive \$30.00 when you refer a vendor to the Street Faire. Vendor needs to be either new to the Faire or did not participate in the last two Faires. *Plus, you need to be a registered vendor in the upcoming Street Faire.*
- ⇒ The new vendor pays only \$100.00 when they chose a regular space! Please note this discount is not valid on end spaces.
- ⇒ In order to receive your rewards the vendor you refer needs to include your name on their application *when submitted*, have their space **Paid in Full** and **All** paper work completed.
- ⇒ There is no limit to how many vendors you can refer! The more vendors you refer, the more \$30.00 checks you will receive! Rewards will be mailed on a weekly basis after the Faire's *No Refund Date*.
